

To All of Our Customers: This is the inaugural edition of our monthly newsletter which we will provide to you as an ongoing service. Each month we will present a sampling of interesting compounds offered by Matrix Scientific. If, for any reason, you wish to not continue receiving this monthly newsletter, please feel free to unsubscribe at anytime.

While we list over 55,000 compounds we will, within this newsletter, introduce you specifically to a small group of selected products each month. You may check for any of the others on our website: www.matrixscientific.com and be able to search by structure, CAS, MDL, chemical name, etc. We are sure you will find it very user friendly. You may also download portions or the entire catalog.

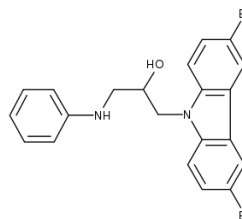

You will find numerous products which are unique at Matrix and please feel free to inquire about any not found therein. We will gladly assist you in locating your targets from our worldwide list of sources, suppliers and contacts.

We also solicit your feedback on these newsletters as well as input concerning the content of future editions and what you may feel is of interest to you and others. We are always open to your comments and suggestions. Enjoy!
